## MOTOR SUPAPLARI

Dear Sir/Madam

We will be at the Automechanika İstanbul exhibition between 16/19 April 2009. Our booth number is holl 3 D115.

OUR PRODUCTS ARE TWO (02) YEARS GUARANTEED AS PER THE REGULATION OF EUROPEAN UNION.

- Our company GUNES ENGINE VALVES has been producing ENGINE VALVES for all type of ENGINES and is awarded ISO 9001 certification by TÜV NORD GERMANY.
- Our products are two years guaranteed as per the regulation of EU.
- We are supplying to OE companies, We have very big range for:
  - European Passenger Cars and Trucks,
  - Japanese Cars and Trucks,
  - American Cars, Light Trucks and Heavy Duty Trucks,
  - Agricultural Tractors,
  - Racing Cars (High Performance Car)
  - Any particular demand of our clients are always most welcome,
- The steels used at the production are imported from Europe . We do not use any other raw material effects the quality negatively.
- Everything is under one roof at GUNES. Therefore, we are able to mark the valves with our client mark (logo or name). Even if we can pack the goods as per our clients own box depending on the volume of the order.

What should be the first step to have cooperation with you .

Were you need any additional information or question please do not hesitate to contact us.

Looking forward to hearing from you soon and we remain.

Best regards

Mustafa AVCI

General Manager
